A **deposit** will be charged of £45. If your order value is less than £45, or you are ordering from outside of the UK, upfront payment will be required. With very large orders, the deposit will be 25% of the order value.

Payment is preferred by bank transfer or cash on collection. Paypal payments are also accepted, but will incur a £5 to cover fees. If you are paying in a currency other than GBP, I can recommend services such as transferwise.com, which tends to work out cheaper for you than paypal.

When you are ready to place your order or discuss details call Jackie on 07910 726003 or email lizzy.lemon.southsea@gmail.com to **request an order form**.
